# Boost your Career with the Certificate IV in Work Health and Safety (BSB41415)

## Ready to Take the Next Step in Your Career?

Becoming properly qualified with the latest Work Health and Safety (WHS) qualification is a great way to develop new skills and enhance your resume. WHS (previously OHS) training will build your knowledge of health and safety within the workplace, allowing you to be involved in the improvement of working conditions for your colleagues.

Get ready for an exciting and meaningful career move. ***Don't wait! Propel your career forward NOW!***

## What Will you Learn?

The Certificate IV in WHS (BSB41415) is useful for anyone wishing to participate in the implementation of WHS systems within a workplace.

You will learn you how to comply with the latest Work Health & Safety legislation, and to contribute to WHS consultation processes.

Additionally, you will learn to identify hazards, assess and control risks, and assist in the response to accidents.

The Certificate IV in WHS (BSB41415) is accredited across all of Australia and will help you to take that next step in your career, whether it be up-skilling for your existing workplace, or providing you a valuable qualification that could be utilised in a range of new employment opportunities.

This course is perfect for anyone wishing to engage in roles such as:

- **WHS/Safety Officer**
- **WHS Coordinator**
- **Workplace Safety Contact**
